

Urban Disguise 35

The Urban Disguise 35 will hold a Standard-Size SLR with up to 13.3" laptop, or a Pro-Size SLR with up to 10" laptop or notebook.

Standard-Size SLR With Up To 13.3" Laptop:

In order to hold a 13.3" laptop keep the middle divider upward, separating the two compartments.

Up to 13.3" laptop will fit into back compartment.

A standard-size SLR with up to 70-200 2.8 lens attached will fit in front compartment.

Pro-Size SLR With Up To 10" Laptop:

For pro-sized SLR, un-attach the middle divider and move down over the laptop compartment.

Up to 10" laptop or small notebook will fit beneath the SLR in the back compartment.

Pro-sized SLR with lens attached will fit nicely on top of the folded divider.
