Retrospective™ Lens Changer 2 & 3

1. Soft shoulder strap with cushioned non-slip pad
2. Separate lens sections for rapid lens access
3. Simple front flap conceals valuable photo equipment
4. Convenient carrying handle

Product Series Description:

Think Tank Photo is proud to introduce the new Retrospective shoulder bags. The series is comprised of three shoulder bags (Retrospective 10, Retrospective 20, Retrospective 30) and two lens changer bags (Retrospective Lens Changer 2 and Retrospective Lens Changer 3). Created for the professional photographer that wants to blend in with the crowd and remain inconspicuous in any situation. Our product designers have blended the look and feel of "old-school" camera bags and have infused it with "new-school" features and technology for the digital imaging age. Soft and supple fabrics that conform to your body, colors derived and influenced by nature, and the features and quality that you have come to expect from Think Tank Photo bags are all part of the Retrospective collection. A series of camera shoulder bags full of individual character and uncompromising quality, influenced by the past and made for professionals.

Key Features:

- Lenses carried in separated compartments for rapid access while changing
- Minimalist outer appearance conceals expensive photo equipment
- Carries two or three lenses plus small accessories
- Accommodates up to a 70-200 f2.8 lens (hood reversed)
- Organizer built into rear pocket for pens, note pad, batteries, etc.
- Seam sealed rain cover included for protection against the elements
- Soft, adjustable shoulder strap with cushioned non-slip pad
- Hook and Loop "Sound Silencers" on the front flap eliminate noise while opening the bag
- Clear business card holder under front flap
- Convenient carrying handle
